

Summa F Series Training Program

Practical information

Training Details

Duration:	5 days (Full training program)	
Product focus:	F Series Flatbed cutters	
Timing:	9:00 AM to 4:30 PM On the last day (day 5), training ends at 3:00 PM.	
Content:	Day 1-2 Application part* Mainly for people who give demonstrations and/or train the operator after the installation.	Day 3-5 Technical part Focused on all technical topics of the Summa F Series Flatbed cutters.
Locations:	Day 1-2 Application part* Summa Experience Center Rochesterlaan 4b, 8470 Gistel in Belgium	Day 3-5 Technical part Summa HQ Offices Rochesterlaan 6, 8470 Gistel in Belgium
Parking:	There are only 8 parking spots at the Experience Center. If they are occupied, you can park at our main building, Rochesterlaan 6. Please do not park along the road.	

* Participants following the Application part only

People who only want to attend the application part of the training will need to be present on Monday and Tuesday. If you want to attend a hands-on session, we advise you to register for the F Series Pre-Sales training. This training is recommended if you regularly give demonstrations and perform material tests for customers.

Training Value

Please read the training conditions carefully. The F Series Training classes have a value of 1000€ per participant. However, if the trainee passes the exam, taken the last day of training, no charges will apply.

Other Practicalities

- The course and documentation are provided in English.
- All applicable documentation is included and will be provided in digital format. If you require a hard copy, do not hesitate to ask us.
- A daily lunch is included. Please inform us about special lunch requests (for example vegetarian).
- Travel costs and hotel accommodation are not included.
- If necessary, national COVID measures will be followed.
